

Update from the RIPE NCC

Axel Pawlik
Managing Director

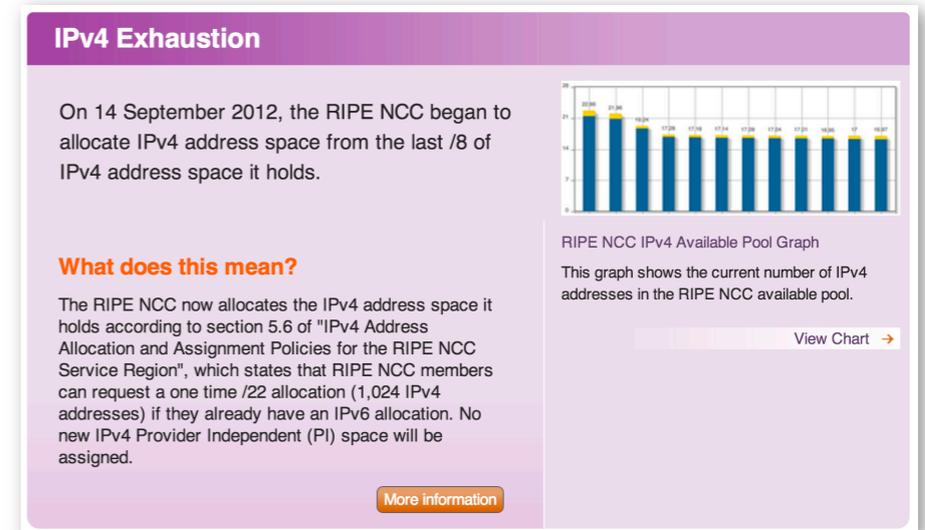

Numbers (big and small)

- Members: 8,760 members (end 2012)
 - Growth of 965 during the year
- Result 2012: ~ 2.2 M EUR (budgeted -0.03)
- Fees: EUR 1.800 / member / year

- Re-confirming favourable tax status after significant fee change

Addresses (no more IPv4)

- IPv4 depletion event: 14 September 2012
 - Orderly run-out, no heroics
- Folk are waking up now...
 - Urgent need, but no inter-RIR transfer policy yet
 - Fears of IPv6 mis-investment, in light of IPv4 transfer market
 - ...
- Action needed: Policies, Communications

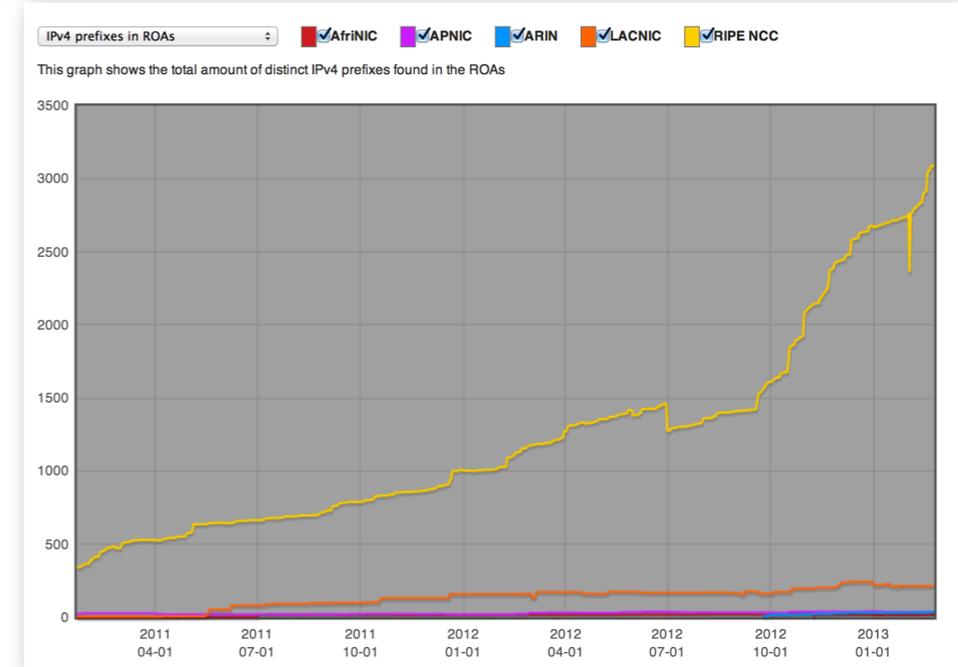

Certification / RPKI

- Continued development
- ... and deployment
- “Webinar” online at...

<http://meet95212513.adobeconnect.com/p6jrgwe2qw4/>

- Policy issues
 - Legacy address certification
 - Provider independent certification
 - Transferred block certification

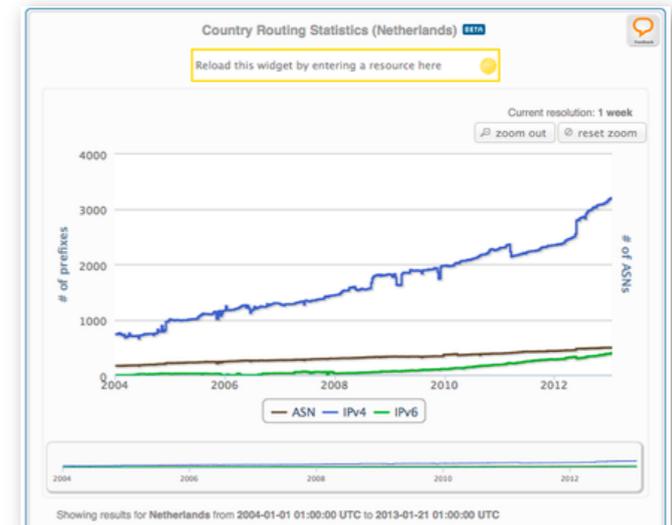

<http://certification-stats.ripe.net/>

RIPE Labs – Recent Highlights

- Finally, Statistics per Country

<https://labs.ripe.net/Members/cteusche/country-specific-graphs-in-ripestat>

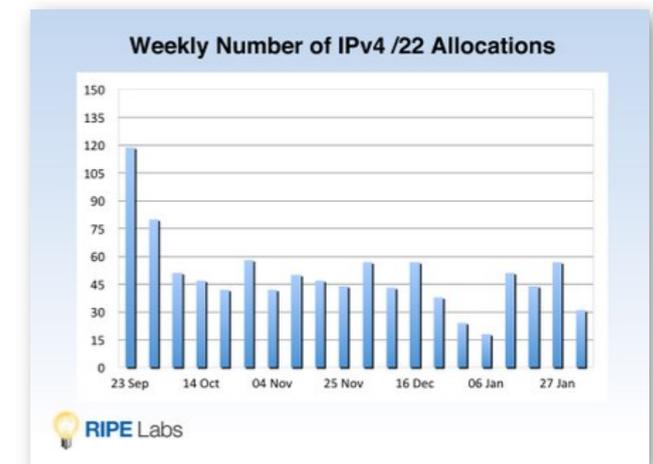

- RIPE Atlas Anchors Pilot

<https://labs.ripe.net/Members/becha/ripe-atlas-anchors-pilot-update-on-phase-one>

- 1000 /22s allocated from last /8

<https://labs.ripe.net/Members/ingrid/1000-slash-22s-allocated-from-last-slash-8>

More Great Stuff...

- IP Analyser
 - Supporting members' address admin
- RIPE Stat
 - Number resource info aggregated from many sources
 - Try it... <https://stat.ripe.net/193.0.6.139>
- Database Software rewritten
- RIPE Atlas new probes & anchor pilot
- Membership Survey, preparing for launch

And coming up...

RIPE 66

Dublin, Ireland

13 – 17 May
